Norwegian Nobel committee,  
Oslo, Norway

I am writing to re-nominate Professor Richard Falk for the 2017 Nobel Peace Prize. I nominated Professor Falk first in 2016 and others have annually nominated him for the Nobel Peace Prize since 2008. I will attach here my letter submitted on his behalf last year. In addition, I would like to add a bio sketch that touches on some of his most recent contributions:

Since 2002 Professor Falk has been associated with the Orfalea Center of Global and International Studies at the University of California, Santa Barbara. His recent books are *(Re)Imagining Humane Global Governance* (2014), *Humanitarian Intervention and Legitimacy Wars* (2014) *Palestine: The Legitimacy of Hope* (2014), *Chaos and Counterrevolution: After the ArabSpring* (2015) and *Power Shift: On the New Global Order* (2016). Between 2008 and 2014 he held the position of UN Special Rapporteur on Human Rights in Occupied Palestine. He currently directs at UCSB a project on Climate Change, Human Security, and Democracy, serves as Senior Vice President of the Nuclear Age Peace Foundation, and is a member of the Editorial Advisory Board of *The Nation* and *Third World Quarterly*.

With warm regards,
