10. Edward Snowden, USA, in Moscow exile, nominated multiple times.
11. Julian Assange, London, incarcerated London, multiple nominations
12. Chelsea Manning, USA, incarcerated USA, multiple nominations.

Nominations 10-12 all frightening examples of how mercilessly the military-industrial complex strikes back against persons who dare stand up against these uncontrolled and deeply dysfunctional forces in the world. Hardly any candidates are better suited to illustrate and serve the demilitarization purpose of Nobel's will, to replace the present international anarchy with a global co-operation on international law, institution and full demilitarization of international relations.

13. Medea Benjamin/CODEPINK, USA, nominated Jan 16, 2016, by Mairead Maguire.

14. Jackie Cabasso/Abolition 2000, nominated multiple times: <http://www.nobelwill.org?tab=8#gza2000uz>

15. Global Zero, nominated by Alyn Ware,
